Concerning the purchase of Voter Registration Materials

1. Whereas in UC 2019's Operational Principle under Community and Collaboration states, "The University is committed to creating a vibrant campus community, while also participating fully with the people of our Uptown neighborhood, Greater Cincinnati, and beyond," and, "As a contributing citizen of the City of Cincinnati, the State of Ohio, the United States of America, and the global community, the University of Cincinnati will act as a willing partner for initiatives that advance the common good," and

2. Whereas one of the 5S's of the Lane | Maesa platform is "Services," helping serve the students in giving them the opportunity to register to vote, as well as making the existence, availability and function of the University of Cincinnati Undergraduate Student Government, College Republicans, College Democrats, International Socialist Organization, and Young Americans for Liberty more widely known, and

3. Whereas the Undergraduate Student Government is the official representatives of the student body attending the University of Cincinnati, and

4. Whereas Student Government provides numerous opportunities to the student body to get involved in the community, and

5. Whereas marketing materials publicize the existence and availability of previously stated groups on National Voter Registration Day to show the opportunities for students to get involved, and

6. Whereas Student Government will provide 100 t-shirts at the price of $4.75 per shirt to these organizations and students on National Voter Registration Day amounting to $475.00, and

7. Whereas Student Government will also be passing out voter registration paper materials and voter facts information, all information that is provided by Campus Vote Project, but Student Government will cover the printing costs for $150.00, and

8. Whereas all marketing materials would be given directly to students and volunteers, and

9. Therefore be it appropriated from the Government line item of the 2012-2013 Student Government Budget the amount of $625.00 with a 10% overrun of $62.50 for a total of $687.50.
