Resolution Bill
S.13-R-012

UNIVERSITY OF CINCINNATI UNDERGRADUATE STUDENT SENATE

Concerning the recommendations of the Finance Committee

Whereas the Senate Finance Committee, established ad hoc to evaluate the budget allocations, met on November 8 and issued its report and unanimous recommendations to the Undergraduate Student Senate on November 14;

Therefore, be it resolved that it is the long-term intent of the Undergraduate Student Government to provide greater funding for organic programming and less funding for co-sponsorships of the events of other organizations;

Be it further resolved that it is the long-term intent of the Undergraduate Student Government to direct co-sponsorship funding toward smaller or less established events and organizations in order to foster those events and organizations that further the purposes and platform of Student Government and require its financial and moral support to thrive;

Be it further resolved that the Senate direct the Finance Committee to meet on Thursday, January 17, 2013 at 9:00 P.M., or at another time determined by the committee, to evaluate further the budget allocations of the fiscal year to date, mindful of the long-term policy objectives of the Undergraduate Student Government.
