Textbook FAQs

- **How to price match at the UC Book Store?**
  Purchased or rented, new or used, bring your original receipt and advertisement for the better price to the bookstore within 7 days of your original purchase or bring the advertisement for the better price prior to your purchase.

- **If I will not have much use for book after this class, what should I do?**
  Renting a textbook can be an affordable option to get the materials needed for a semester. Most bookstores and online retailers have rental options. Renting comes with its own rules and regulations so make sure you read and understand the agreement ahead of time.

- **What about E-Books?**
  E-Books are perfect for students who want to keep all their books in one place. E-Books tend to be cheaper but may not have any sell-back value. You can rent E-Books online but make sure to read the terms and conditions before purchasing.

- **My professor assigned the fourth edition, can I buy the third?**
  Make sure to check with the professor ahead of time. Most of the time the old edition works fine and costs less.
